Honorable Editor-in-Chief

Healthmed Journal of Pharmaceutical Sciences

Subject: Submission of an revised manuscript for publication in your renowned journal.

Honorable Editor,

With due respect, we would like to submit the revised manuscript entitled “In silico structural determination and validation of Cyclin dependent kinase 5 activator 1, CDK5R1 by homology modeling as a target of anti-Alzheimer’s drug and design of potential lead compounds by de novo synthesis” according to the reviewer comment for publication in your high-quality journal.

We declare that the manuscript contains unpublished work and is not being under consideration for publication elsewhere.

We look forward to your cooperation in publishing the manuscript.

Thank you.

Kind regards
